

# MINNY LI DDS, MS

## BOARD-CERTIFIED PERIODONTIST

Dr. Li is a Board-Certified periodontist and a Diplomate of the American Board of Periodontology. A Diplomate is the highest recognition of exceptional achievements awarded by the specialty; it is granted to the periodontists who have demonstrated a comprehensive mastery of the field. Dr. Li earned her Periodontics certificate and her Master of Science degree from Tufts University in Boston, Massachusetts. Her master's research focused on how to improve dental implant outcomes and it received the American Academy of Implant Dentistry (AAID) Grant and Outstanding Dental Research Award.

## TREATMENT PHILOSOPHY

**As a periodontist, Dr. Li** is passionate to help patients save their teeth. She is an advocate of periodontal regeneration and retaining the natural dentition. Her goal is to deliver the absolute best experience to every patient by providing a standard of excellence in service and attentive personalized care. She is dedicated to improving every patient's overall wellness by listening well, treating with understanding and compassion, and using the most cutting-edge technologies and least invasive treatments available.

**Dr. Li** is proficient in all scopes of periodontal surgeries, including regenerative therapies (Guided Tissue Regeneration), minimally invasive laser procedures (LANAP/LAPIP), advanced horizontal and vertical ridge augmentation, soft tissue grafting and periodontal plastic surgeries. She takes pride in her thorough patient education, gentle treatment modalities and conservative yet high quality patient care. She also enjoys the collaborative team work with general dentist and other specialists in the community to ensure the comprehensive care for patients.

## ABOUT DR. LI

**Dr. Li** was born and raised in Kaohsiung, Taiwan. She earned her DDS degree with highest honors at China Medical University in Taiwan. During her time in dental school, she attended a periodontal observership at Ohio State University that sparked her interest into this profession. After dental school, she attained a 2-year Advanced Education in General Dentistry (AEGD) certificate and one-year Periodontal training in Taipei Veteran General Hospital. These experiences enhanced her capability to manage complicated cases and interdisciplinary treatments. Dr. Li is known for her caring and friendly demeanor, patience, and dedication to the excellence in patient care. She is also an enthusiastic lecturer and has spoken at many meetings and has had poster presentations in international conferences in Europe and Asia. She enjoyed the knowledge dissemination and the interaction with audience.
